1 Medical Record Requests

Before we can offer an Interview, we will need the applicant's most recent two years of medical records. If you turn in the Authorization for Disclosure of Health Information and the Medical Provider List right away, our staff can start requesting medical records that may take some time to receive.

On the Authorization to Disclose HIPAA Protected Health Information form (page 5), please only fill in the applicant's name and date of birth – then fill out the boxes at the bottom of page 6 with the printed name of who is signing, their signature, their relation to the applicant and the date. (Please remember only the applicant and their power of attorney (resident representative) can sign). The rest of the form needs to be blank so the Arizona Pioneers' Home can use it to request medical records for the last two years from multiple doctors as part of your admission process. In addition, staff will then put the blank copy in your chart at the Arizona Pioneers' Home so when our Nursing Department needs records, they will be able to request them as necessary to treat you.

Dear Primary Medical Provider,
is applying for residency at the Arizona Pioneers' Home. As part of the Application for Admission, there are four (4) pages which need to be filled out by their licensed Primary Medical Provider: the <u>90 Day Determination form</u> and the <u>History and Physical form</u> .
Our staff requests that the provider takes the time to fill out the History and Physical by hand. We encourage attached medical records to be returned with the completed form. However, we are not allowed to accept the form with attached medical records and the words "See Attached" written in lieu of filling out the form.
Also, the applicant is required to provide the Arizona Pioneers' Home "Evidence of Freedom from Active Tuberculosis". The documentation must be from a licensed health care provider in the form of a tuberculin (TB) test or chest x-ray that is no older than 12 months. The documentation must state "Freedom from Active Tuberculosis" or words to that effect.
If the applicant does not have TB documentation from the last 12 months, we request that your office provide this test and return the results with the <u>90-Day Determination</u> and <u>the History and Physical</u> .
We understand your time is valuable and we appreciate the time and effort it will take to comply with our request. If you have any questions, please call our Administrative Services office for more information.
Sincerely,

Healthcare and Financial Directives

GREETINGS

This section pertains to all future residents at the Arizona Pioneers' Home; Pioneers and Miners alike. It is the policy of the Arizona Pioneers' Home that all residents must have a Resident Representative and have healthcare and financial directives on file. The policies in their entirety are on the next two pages of this section.

The specific directives the Home requires are:

- Healthcare Power of Attorney
- Mental Health Care Power of Attorney
- Financial Power of Attorney
- Living Will
- Pre-Hospital Medical Care Directive: Either a DNR (Do Not Resuscitate) or a FULL Code

There are two possibilities regarding whether or not you need to fill out the above-mentioned paperwork.

- You took care of this matter in the past and currently have the above documents completed, signed and witnessed (or notarized).
 - If this is the case, please turn in what you have with your Application for Admission. Our staff will review your documents and determine if they are appropriate to fill the requirements of the Home's policy on Resident Representatives and Directives.
 - If they are, you can consider this part of the Application completed.
 - If they are not, please see the instructions for filling out the proper forms.

OR

- You do not have the above documents complete and you need to take care of them before you turn in your Application for Admission to the Arizona Pioneers' Home.
 - Please see the instructions for filling out the proper forms.

If you do not have a trusted family member or friend who is willing and able to be your Resident Representative, you may want to talk to a fiduciary. A fiduciary is for those persons in need of guardianship, conservatorship or administration and for whom there is no person or corporation qualified and willing to act in that capacity. As a guardian the fiduciary ensures that the basic needs of a person are met. These needs include, but are not limited to, personal, medical, psychiatric and housing. There are private and public fiduciaries. Please keep in mind that not every person qualifies to have a fiduciary.

The Yavapai County Public Fiduciary is Kathryn Blair and her contact information is as follows:

Kathryn Blair Public Fiduciary Prescott, AZ 86305 Phone: (928) 771-3153 Fax: (928) 771-3152

HEALTH INSURANCE INFORMATION Cont'd

If my current insurance coverage is not deemed to be the most cost effective by the Arizona Pioneers' Home Administration, I understand and agree to cancel the policy and obtain coverage from an insurance provider which is approved by the Arizona Pioneers' Home.

If my current insurance coverage does not cover the deductibles, the Resident or family is responsible to pay any medical costs not covered by insurance.

Residents who do not purchase an approved insurance policy or who let payments lapse and have their coverage canceled by the insurance company will be personally liable for all expenses that would normally be paid out by the insurance company. If this occurs, Residents must contact the Arizona Pioneers' Home Accounting Office and arrange for immediate payment. Residents will be held liable to the State for all insurance premiums paid to an insurance carrier.

I understand that if I use a primary physician other than Arizona Pioneers' Home staff physicians, either my personal physician, myself or my representative must file my insurance claims and that I am ultimately responsible for all paperwork and payment for all medical expenses I incur.

I understand that any insurance checks I receive related to medical insurance, medical services, prescriptions, etc. are to be given to the Arizona Pioneers' Home Business Office for reimbursement of bills paid on my behalf.

I agree to change my mailing address to the Arizona Pioneers' Home with Social Security, and all insurance plans that apply (Advantage plan, Supplement Insurance, Medicare Part D, AHCCCS or VA coverage).

I understand that the Arizona Pioneers' Home will give me a credit on my Payment for Care each month for premiums that I pay for health insurance, but only if they are listed on this form and the Resident Financial Disclosure found on pages 62-63 in this Admissions Application. I must also give the appropriate financial documents listed in Exhibit A of this Application in order to qualify for the credits, which will effectively lower my Payment for Care.

Fluctuations in your health insurance premiums will affect your Payment for Care amount, but will not change your spending allowance.

A SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- You must be told if information in your file has been used against you. Anyone who uses
 a credit report or another type of consumer report to deny your application for credit,
 insurance, or employment or to take another adverse action against you must tell you,
 and must give you the name, address, and phone number of the agency that provided the
 information.
- You have the right to know what is in your file. You may request and obtain all the
 information about you in the files of a consumer reporting agency (your "file disclosure").
 You will be required to provide proper identification, which may include your Social
 Security number. In many cases, the disclosure will be free. You are entitled to a free file
 disclosure if:
 - a person has taken adverse action against you because of information in your credit report;
 - you are the victim of identity theft and place a fraud alert in your file;
 - your file contains inaccurate information as a result of fraud;
 - you are on public assistance;
 - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in Residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
- You have the right to dispute incomplete or inaccurate information. If you identify
 information in your file that is incomplete or inaccurate, and report it to the consumer
 reporting agency, the agency must investigate unless your dispute is frivolous. See
 www.consumerfinance.gov/learnmore for an explanation of dispute procedures

Consumer reporting agencies must correct or delete inaccurate, incomplete, or

- **unverifiable information.** Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
- Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.
- Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need -- usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
- You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.
- You many limit "prescreened" offers of credit and insurance you get based on information
 in your credit report. Unsolicited "prescreened" offers for credit and insurance must
 include a toll-free phone number you can call if you choose to remove your name and
 address from the lists these offers are based on. You may opt out with the nationwide credit
 bureaus at 1-888-5-OPTOUT (1-888-567-8688).
- You may seek damages from violators. If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.
- Identity theft victims and active duty military personnel have additional rights. For more information, visit www.consumerfinance.gov/learnmore.

States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:
